## New sanitary district is led by Robinson

Russell Robinson of Granite City was elected as president of the new Metro-East Sanitary District which was established under new legislation in a meeting at East St. Louis this morning.

Robinson was the only member of the former levee district board to win appointment to the new board which is to be ruled by a five-man board named by the County Board chairmen of St. Clair and Madison Counties.

Robinson was nominated by John C. Erhardt of St. Clair County and the motion was seconded by Leonard A. Hylla of Madison. Two other board members still are to be appointed by the St. Clair County Board.

The new board was established after the former board held a brief meeting in which all bills were approved. The old board included Robinson, William Ebersoldt of Venice and Jack Scoville of National City.

Immediately following organization, the new board named department heads and other levee district appointees on a temporary basis.

These included Mrs. Helen Casper of Granite City as chief clerk. She has been serving in that post. Eugene Clark was reappointed as treasurer and James Spanos was reappointed as engineer.

Casper, Nighthosian of Granite City was appointed as a district attorney and Edward Maag, Belleville, and Harry Hartman, Granite City, were reappointed as attorneys.

Hylla and Erhardt were appointed to board committees in all cases.

The new board also approved a motion to begin interviews to select an engineer as an executive director. Under the state law creating the new district, an engineer employed by the board will administer district activities.

The new board members also voted to require an inventory of all district property be made within the next two weeks, and approved a motion calling upon all department heads to submit budget proposals within the next two weeks.

A motion to bring in a resolution setting regular meeting dates also was approved. Board members said they expect to conduct meetings

## Church will run school, build a gym

Construction of a new gymnasium and educational building to include classrooms for pre-school, kindergarten, and first through third grades, is planned by Tri-City Park Tabernacle, 2501 Clark Ave., with a groundbreaking scheduled in May, according to the Rev. J. Albert Calaway.

The new complex is the first phase of a building program to eventually offer classes for all grade levels through junior high school and to continue providing meeting and social rooms for the senior citizen program now in progress, Rev. Calaway said. A cost of approximately

## Thousands getting flu shots

Area residents still may receive swine flu inoculations from 1 p.m. to 7 p.m. today and Tuesday at Memorial Gymnasium at Granite City High School South, 3101 Madison Ave.

A total of 6,446 persons were given the swine flu vaccine at public clinics in Madison, Venice and Granite City during the weekend.

Mrs. Mildred Meehan, Tri-City American Red Cross Chapter executive, today announced the inoculations will be given this week by volunteer nurses to persons who are homebound.

Relatives and friends of individuals confined to the house and who need to receive a swine flu inoculation are being urged to call the local Red Cross office, at 452-7184, immediately, to list the person's name and address.

"A group of volunteer nurses has agreed to make house calls and give the shots to persons unable to attend the free public clinics today and Tuesday," Mrs. Meehan said this morning.

"We must have the name and address of these homebound people to provide this service," she stressed. Quad-City residents knowing persons who are confined at home who need a swine flu inoculation are asked to contact the Red Cross office between the hours of 9 a.m. and 5 p.m. through Friday.

At the Granite City clinic, held Friday, Saturday and Sunday, a total of 4,812 persons received the shots at Memorial Gymnasium.

In Madison, 1,170 persons were given the swine flu vaccine, including 68 members of the Madison Senior Citizens Club.

Only 464 persons were inoculated at the Venice free clinic. Both the Madison and Venice clinics were held Saturday and Sunday only.

Madison County Civil Defense Director Ted Todoroff, whose office tabulated the figures and coordinated the public clinics, said today the number of persons given the inoculations is fewer than expected.

Mrs. Meehan noted that her office has received no word of

any adverse reactions to the shots. "Some arms were slightly sore for about one day, but no side effects were seen during the clinic in Granite City, nor calls received about side effects afterwards," she pointed out.

Todoroff said the Visiting Nurses Association is giving flu shots to homebound patients normally in its care, and various nurses' groups are providing volunteer help in other parts of Madison County.

## Drive at 27%

The Salvation Army again is serving as the central clearing house for most local agencies being requested for aid during the Christmas holiday season, and funds being contributed to the annual "Tree of Lights" appeal are allocated to provide those in need with food baskets and other items during the holiday season.

Today, the symbolic tree is illuminated with 279 lights, representing a total of \$6,894 donated to the Christmas fund. The amount is 27.9 per cent of the 1976 goal of \$25,000, Steve Bristol, drive chairman, noted.

Applications for aid will be accepted through Dec. 17 at the Granite City Salvation Army Center, 3007 E. 23rd St., Captain

Michael Tompkins, local SA commander, said.

Families and individuals wishing to receive Christmas gift baskets are asked to apply in person at the Salvation Army office, between the hours of 9:30 a.m. and 5 p.m. any weekday.

Infirm and confined residents eligible to participate in the annual program may contact the office at 451-7957 for further information during the same hours, Capt. Tompkins advised.

In the first two days the applications were accepted last

### Woman beaten

Mrs. Karol Jones, 21, of 2311 State St., was beaten while walking in the 4900 block of Kirkpatrick Homes between 7:15 p.m. and 7:45 p.m. Sunday.

Mrs. Jones said she was walking to the store to get some cigarettes when a young man with long hair and wearing blue denim pants approached and beat her.

She was taken by ambulance to St. Elizabeth Hospital where she was admitted with bruises to her face, head, right shoulder and lower back. A series of x-rays was taken.

## Fatal stabbing

A murder complaint was being prepared this morning against a 42-year-old East St. Louis man who allegedly fatally stabbed Eddie Ingram, 29, of 1645 Second St., Madison, in front of the Chat and Chew, 427 Weaver St., Venice at 9:15 p.m. Friday.

Police were notified a man had been stabbed and alleged finding the suspect standing beside his car with a knife in his

hand. He surrendered the knife to officers without incident and was arrested.

Mr. Ingram was found nearby with a three-inch cut to his right chest, a three-inch cut to his left elbow and a half-inch cut to the left chest. Three friends took him to St. Elizabeth Hospital where doctors pronounced him dead upon arrival.

Police were told Mr. Ingram

## War prisoners held in county

(97th of a Bicentennial year Press-Record series)

The "prisoners of war" subject remains in the minds of Quad-Cityans and other Americans because of the continuing lack of information on Americans listed as POWs or missing in action in the Vietnam War.

Illinois itself once was a site where many war prisoners were held. This was a Northern state in the Civil War—the War Between the States, as it is known by many in the South.

Although they may not have matched the Confederacy's Andersonville in the horrors of the war or the frequency of death, the four prisoners located in Illinois for captured enemy soldiers during the Civil War were especially unpleasant places.

Prisoners were located at Camp

Butler, near Springfield; Camp Douglas, in Chicago; a converted penitentiary in Alton; and a special facility built at Rock Island.

About 2,000 Confederate prisoners arrived at Camp Butler following Gen. Ulysses S. Grant's victory at Fort Donelson, Tenn., and 1,500 more as a result of Gen. Nathaniel Pope's victory at Island No. 10, Missouri.

Unsanitary conditions and bad food contributed to epidemics of typhoid and dysentery.

There are 866 Confederate soldiers buried in the camp's cemetery as testimony to the difficulties.

Camp Douglas handled 16,000 captured men during the war—

## Madison High Band opens season Dec. 9

Madison Senior High School Concert Band will present its first concert Thursday evening, Dec. 9, at 8 o'clock in the high school auditorium.

The concert will be under the direction of William F. Ledbetter, director of instrumental music in the Madison schools. The auditorium will be decorated in keeping with the holiday season. Arrangements for the evening performance will be made with the assistance of the Madison Band Parents Club.

Making a guest appearance at the concert will be the Madison High School Choral Club directed by Mrs. Dolores Folkerts, which will sing a selection of seasonal songs.

Senior band member

Christine Gorka will narrate the traditional Christmas poem, "Twas the Night Before Christmas," accompanied by the band. Miss Gorka plays French horn and serves as band president.

Selections to be presented by the student musicians, include: "Finale From Symphony No. 9" by Anton Dvorak; "A Suite of Early Marches; Two Gaelic Folk Songs," among other numbers in keeping with the coming holidays.

Season tickets for this concert and two others during the 1977 school year are now available from band members, Ledbetter said.

Single admission charge at the individual concerts is 75 cents for adults and 50 cents for students, at the door.

## Patchworkers earn awards

The Patchworkers 4-H Club meeting was opened by Wendy McIlvoy, president, with the 4-H pledge led by Janet Jachino and pledge of allegiance by Winona Cox. Roll call was taken by Sue Burnett, vice-president, with the members telling the name of their favorite Christmas Carol. There were 18 members and nine mothers, Mesdames Joyce Jachino, Rose Krystopa, Kathy Busch, Frances Hartman, Carol Patterson, Marie Loftus, Florence Polacek, Kessler and Martha McIlvoy, present.

County and state honor awards were given as follows: gold achievement seals were given to 17 of the 21 members. The Illinois Beef Association gave blue ribbons for "A" demonstrations in the food category to Patti Grebel, Christina Kessler, Mickey Loftus and Karen Toussaint. County project honor member awards went to Lynda Loftus and Winona Cox. State certificates of achievement in 4-H club work were awarded to Joan Krystopa, Christina Kessler, Ann Fuller, Mary Loftus, Wendy McIlvoy, Donna Wilmsmeyer and Susie Burnett. Certificates and pins were given to Debbie Burnett, Donna Wilmsmeyer and Wendy McIlvoy for their work as junior leaders.

Debbie Burnett was awarded special honors as a county outstanding 4-H member, and

the Patchworkers were presented with a traveling plaque on which is engraved their name and year for having the greatest attendance at county sponsored functions. The club also earned a club achievement seal for having fulfilled all the requirements necessary for an active, wholesome club. The membership presented Mrs. Martha McIlvoy with a leader's two year pin.

Amy Hartman, chairman of tours and speakers committee reminded everyone to meet at the McIlvoy residence on Dec. 11 at 11 a.m. for the trip to the Eugene Field Christmas house. Plans for the annual Christmas Party were completed under the direction of Christina Kessler, chairman, set for Dec. 16 at St. Elizabeth's school hall at 7 p.m. beginning with caroling in the neighborhood at 6:30.

Demonstrations were given by Carole Busch on "How to Macrame," Joan Krystopa on "Laying Out a Pattern" and Anne Fuller gave a monologue on "What Can You Do With a Chair." Refreshments were served by Amy Hartman, Carol Busch, Joan Krystopa and Amy Patterson. A game was conducted by Karen Toussaint, recreation chairman.

Other members attending, were Joanne and Karen Fuller and Linda Grebel.

## Sorority all city party held

The Beta Sigma Phi Sorority City Council entertained members at an all chapter party held Thursday evening at St. John United Church of Christ.

Mrs. Evelyn Tolliver, council president, welcomed the group. The Nu Zeta and Precipitor Beta Gamma Chapters served refreshments, Theta Theta provided name tags in keeping

with the theme, "Follow the Rainbow Road" and Xi Epsilon Chi Chapter directed the games.

Prizes were won by Judy Haven, Barbara Jones, Evelyn Tolliver and Delores Byrnes. Others present were Precipitor Beta Gamma members, Mrs. Tolliver, Mrs. Byrnes, Delores Dorch, May Ebling, Jean Forrest, Lora Mae Lombardi, Norma Bains, Jane Laule and Betty Ebling; Nu Zeta Chapter Barbara Birchler, Amy Brasfield, Judy Haven, Linda McKeehan, Cheryl Barton, Lynette Cook, Leona Mack; Theta Theta, Ellen Brokaw, Jane Yates, Martha Gianakos, Barbara Mallich and Xi Epsilon Chi, Barbara Jones, Jan Monaghan, Linda Koenig, Barbara Henle, Carol Cathey and Marilyn Lumpkins.

Mrs. Koenig, council treasurer reported on a project for the council to undertake the division of Illinois into three areas during the coming year. Each chapter is to discuss the suggestion and submit a report at the next session on Jan. 5.

The meeting will convene at 7:30 p.m. at St. John United Church of Christ.

## Anchorage Club elects officers

Anchorage Senior Citizens Club approved a donation to the Salvation Army Tree of Lights and elected officers for the 1976-77 year, during a meeting held last week at the Recreation Hall.

Those elected were Mrs. Georgia Butler, president; Mrs. Vera Schilling, vice-president; Mrs. Augusta Lampe, secretary; Frank Harris, treasurer.

The Rev. Leroy Filby offered the opening prayer and the 50 members present recited the pledge of allegiance.

Mrs. Butler announced a Girl Scout Troop will provide entertainment and refreshments for the residents from 3:15 to 4:15 p.m., on Monday, Dec. 13, at the recreation hall.

A Christmas dinner will be served at 12 noon on Dec. 15, she added.

To conclude the business meeting cards were sent to those who are ill followed by refreshments and games.

### LAUNDROMAT FIRE

## Groundbreaking Tuesday for Maryville Road job

Groundbreaking ceremonies to initiate construction of the Maryville Road improvement are to be held at 11:30 a.m. Tuesday at Pontoon and Maryville Roads.

The ceremony was planned to mark beginning of the new roadway construction after ten years of planning. The joint city-county project will involve construction of a four-lane extension of Maryville Road from Pontoon Road to Highway 162, providing a new highway skirting the eastern edge of the city.

Work will be done by Hoeft Bros. Construction Co. of

Belleville which was lowest of four bidders at \$3,237,896, or \$20,406 less than the county's engineering work.

Scheduled to take part in the ground-breaking program at Maryville and Pontoon Roads are Hagnauer, Miller, Granite City Mayor Paul Schuler, Aldermen Ronald Coleman and Emerald Dawes of the Seventh Ward and Earl Baker and Gerald Parmley of the Sixth Ward.

Also expected to attend are members of the City Council's street and alley committee who have worked on the project. They include Clyde Boyd of the

Third Ward and Curtis Blevins of the Fifth Ward, along with Duane William Webb, Granite City member of the County Board who spearheaded the drive to obtain right-of-way for the county's portion of the project and Nameki Township supervisor Louis Whitsell also will participate.

The road improvement will be constructed by the county which will pay Granite City's share of the cost, estimated at \$900,000. Granite City, under an agreement with the county, will repay the county its share at a rate of \$10,000 per month out of its own motor fuel tax funds.

Health.

Portell said that to excavate under Johnson Road to replace the line, workers will have to go under a gas main, a water main, a stormwater drainage line and a telephone cable.

He said Johnson Road will be closed tomorrow between 8:30 and 9 a.m. and will remain closed for the remainder of the week unless inclement weather delays the work further.

## Coleman to seek Suspect charged in robbery here treasurer's post

Ronald Coleman, alderman of Granite City's Seventh Ward, will seek election as city treasurer in the April 5 municipal election. It was reported today after Coleman obtained nominating petition forms from the office of City Clerk Robert Stevens.

Coleman's entry into the city election race for the treasurer's post came after Paul Rutledge, incumbent treasurer, made it known that he will not seek re-election next year because of health reasons.

Rutledge told the Press-Record today that he has written to the City Council to notify the aldermen during their regular meeting tomorrow night that he will not seek the office again.

Rutledge's withdrawal from the political scene will end a 28-year career in the Granite City government. He served as an alderman for 22 years in the Second Ward prior to his appointment by the late Mayor Donald Partney in June 1971 as city treasurer.

Rutledge was appointed to the post to fill a vacancy created by the death of the late E. R. "Pat" Rich. After serving the two remaining years of Mr. Rich's term, Rutledge ran for the office and was elected in 1973 to a four-year term that expires next year.

He became ill earlier in the year and underwent a long hospitalization.

Coleman was elected alderman of the Seventh Ward in the 1973 Granite City election. He presently is chairman of the City Council's finance committee and chairman of the planning and zoning committee.

Also obtaining nominating petitions from the clerk's office Friday were Aldermen Glen Sprankle as a candidate for re-election in the Fourth Ward. He now is serving by appointment.

Gary Barnstable obtained

petitions as a candidate for the two-year term as alderman of the Fifth Ward, a post now held by appointment by Curtis Blevins, who also is seeking election to the remaining two years of that term. Blevins succeeded the late Waller Noun.

## Mrs. Murawski dies at 88

Mrs. Mary (Jawokowska) Murawski, 88, of 829 Greenwood St., Madison, a native of Poland, was taken from her home by ambulance to St. Elizabeth Hospital where she died at 4:45 a.m. Sunday.

There will be an inquiry. Born in Suwalki, Poland, Mrs. Murawski resided in St. Louis for two years prior to moving to Madison 68 years ago.

She was a member of St. Mary's Catholic Church and was a 50-year member of St. Stanislaus Lodge 1004 of the Polish Roman Catholic Union.

Her husband, Joseph Murawski, died March 10, 1948. Survivors include three sons, John G. Lapinski of Madison, Joseph L. Lapinski of Granite City, four daughters, Mrs. John (Helen B.) Forsy, Mrs. Leona N. Bamber and Mrs. Cecelia Mance of Granite City; one sister, Mrs. Louise Stavrakakes of Chicago; 21 grandchildren; 21 great-grandchildren and four great-great-grandchildren.

Funeral arrangements are given in the obituary column.

## Yule music program at SIUE

The Collegium Musicum at Southern Illinois University at Edwardsville will present an evening of medieval and Renaissance music for Christmas on Sunday, Dec. 12, at 8:15 p.m. in the Lovejoy Library auditorium.

The Collegium is dedicated to the study and performance of early and rarely performed music. Edwin B. Warren, professor of music at SIUE, will direct the concert, with Roger Hill, assistant professor of physics, acting as co-director.

The first half of the program will be of music from the 13th Century. The concert will open with "Officium Pastorum" ("The Shepherds at the Manger"), an anonymous liturgical musical drama from Rouen.

The musicians will then perform several anonymous instrumental pieces from the 15th Century, including "La Quinte Estampie Real," "In Seculum Viellatoris," "Hocket In Seculum," "Two-part Estampie," "Motet: S' on Me Regarde - Prennes I Garde - He! Mi Enfant," and "La Septime Estampie Real." Perotin's "Viderun Omnes" will end the first part of the concert.

Following the intermission, the Collegium Musicum will perform music by Michael Praetorius, composer of the late 1500s and early 1600s. The second half will begin with two dances from "Terpsichore." They will also play "Wie Schon Leuchtet der Morgenstern," "Puer Natus in Bethlehem," "Das Alte Jahr Is Nun Dahin," "Das Alte Jahr Vergangen Ist," and "Von Himmel Hoch." The musicians also will perform two more dances from "Terpsichore," "Spagnoletta" and "La Bourree." Then they will play "In Dulci Jubilo," "Nu

Kornm Der Heiden Heiland," and "Psallite."

The program also will include "Ballet de Monseigneur Le Prince de Brunswick," from "Terpsichore."

Most of the instruments played by the Collegium Musicum members are reproductions of instruments of the period.

The concert is free and open to the general public.

## St. John Guild yule party

A collection of Christmas candles, greenery and various motifs collected by Mrs. Louise Brinkley while visiting in Colorado were used for the table appointments at the meeting on Thursday of the Afternoon Guild of St. John United Church of Christ.

Guild members met at the church at 10 a.m. and made 150 pails to be donated to the Hitz Home in Alhambra followed by a noon luncheon.

The Rev. Dr. Paul Surbey offered the table prayer and a dessert course was served by chairman Mrs. Mildred Branding. She also arranged for a special table for those observing December birthdays.

President Mrs. Alice Pfroender presided at a business meeting. Mrs. Gloria Anderson announced that 100 foil pins are being collected for a 32-year old Collinsville woman who is on a kidney machine. He needs one for each day and anyone who has the pans may deposit the collection in the foyer of the church or call Mrs. Engleke.

Mrs. Ellen Ehler reported the group had collected \$78 for the "Sole for Soul" project. She added a local needy family will be assisted, at Christmas.

To open the program a Christmas song fest was held later a film entitled "The Guiding Star" was shown by Mrs. Lydia Willard. A play with holiday theme was performed by Mrs. Engleke, Mrs. Marie Widdows and Mrs. Ellen Ehler, followed by special yule songs sung by Mrs. Velma Carragher and Mrs. Georgia Surbey.

Mrs. Catherine Knipping gave a report on those who are sick and Mrs. Pfroender gave a prayer in their behalf.

Forty-four members attended and closed the meeting with a collection of the Least Coin and recitation of the Lord's Prayer.

## Pi Eta holds pledge ritual

A pledge ritual was conducted for Judy Campbell by Mrs. Judy Onesty, president of Pi Eta Chapter of Beta Sigma Phi Society.

Mrs. Jerry Turner, 2312 Dwight Drive, hosted the session. A discussion was held for chapter yule party scheduled for Dec. 20 at the Bevo Mill in St. Louis. Secret sister names will be revealed and a gift exchange held during the evening.

Each member brought canned foods to be used for a Christmas basket which will be taken to a local needy family.

Ruby Harris from the Madison County Historical Museum, was the guest speaker. She selected Civil War items as her topic.

Others attending were Sandy Ashcraft, Wanita Graham, Betty Beck, Barbara Kennerly and Donna Yehling. The next meeting on Dec. 15 will be at the home of the president.

## Yule party of Garden Study Club

Garden Study Club members attended its annual yule potluck luncheon meeting last week hosted in the home of Mrs. David Maxton, 30 Oaklawn Drive.

Artistic centerpieces arranged with holly and evergreens decorated the tables and a large Christmas tree trimmed with holiday ornaments was the focal point of the room.

Individual favors were tiny red baskets filled with sprigs of greenery created by Mrs. Jerry Donley.

The club collect was given by Mrs. Bonard Maples and each member answered the roll call with responses relating to winter squash and various ways to prepare the vegetable.

Contributions were approved for the Salvation Army Tree of Lights and to Specialized Services, Inc. A letter of appreciation was read from the Friends of Lovejoy Library at Southern Illinois University at Edwardsville, for the club's donation.

Those attending were: Mesdames C. E. Eads, Clifford Mang, John McComis, Delbert McKissick, Bert St. Vary, Dan Seymour, John Sigle, George Smolar, George Stearns and a guest Mrs. Delmar Frech. Mrs. Stearns will host the Jan. 6 meeting in her home, 1 Terrace Lane.

## Guild hosts yule party

Approximately 70 members and guests of the Southern Illinois United Church of Christ enjoyed the annual Christmas party, Thursday afternoon, beginning with a luncheon. The Fellowship Hall and tables were uniquely decorated in keeping with the holiday season.

Children from the "Happy Day" pre-kindergarten class under the direction of Mrs. Betty Hiles, entertained the group with songs and recitations.

A very interesting and educational program on how to take care of our house plants, especially the plants we associate with the Christmas season was presented by Mrs. Shirley Glenn of the Gardeners Club. The girls also enjoyed singing Christmas carols.

A short business meeting was held after the luncheon and program. The next meeting will be held on Jan. 6.

## Yule concert at Prather Friday

Don Kuehnelt will present narrative selections and Miss Mary Kathryn Davis will serve as accompanist.

Among the choral selections are: "The Virgin Mary Had a Baby Boy" (an Indian calypso); English and German versions of the traditional carol, "O Tannenbaum"; Christmas Roundelay and the "Twelve Days After Christmas."

The public is invited to attend.

## Coolidge choral concert Tuesday

A Christmas Choral Concert will be presented at 8 p.m. Tuesday by the Coolidge Junior Mixed Chorus in the cafeteria at Coolidge school.

The concert is free and the public is invited to attend. Keith Fieri, Coolidge vocal music director, said today.

Chorus members will present a variety of traditional and novelty yuletide songs, including: The Christmas Bell Carol; Ding-Dong Merrily on High; Jingle Bell Rock; Home for the Holiday; The Lollipop Tree; and White Christmas.

Soloists will be Janet Fox, Lydia Kopic, Kelly Stotz and Dyanette Shrader.

Sterling Schoen will serve as accompanist, and Johanna Lovejoy will perform on the bells, with Linda Welby and Gay Wright playing the rhythm.

### SIUE receives \$25,738 grant

A \$25,738 grant to train state and federal pollution control agency field engineers has been received by Southern Illinois University at Edwardsville. According to James O. Bryant, director of the Environmental Resources Training Center (ERTC) at SIUE, this grant from the Environmental Protection Agency (EPA) will finance courses to be taught in four EPA regions in the U.S. Bryant said each course will consist of a five-day training program to improve or upgrade state and federal pollution control agency capabilities to assist local wastewater treatment plant operators. Courses will be taught under Bryant's direction in San Francisco, New York, Philadelphia and at Edwardsville.

The director of the ERTC, which serves as a nucleus for development of environmental training programs for wastewater operators from all over the country, said this course will help pollution control agency personnel assist treatment plant operators in identifying and solving problems at their facilities.

He said ultimately this will aid state officials in presenting training courses to operators within their own states.

Bryant will serve as on-site project director for each course and will teach six to seven hours of the class. The remaining 30 hours of class will be taught by private consultants and experts.

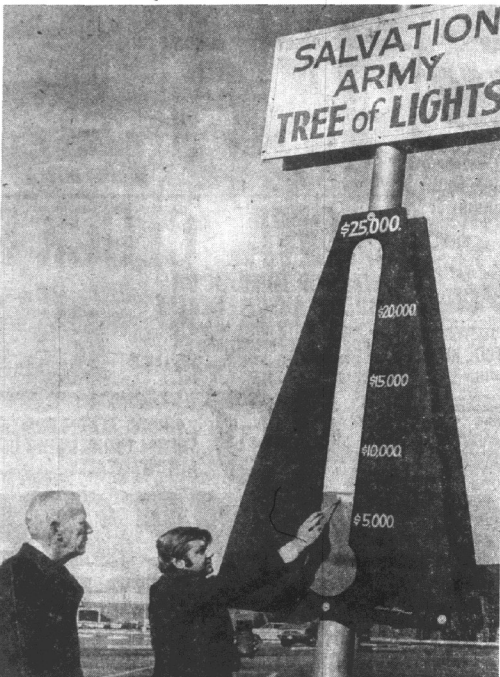

Bryant said the selection of the ERTC at SIUE to provide this training nationally for the EPA is "a tribute to and recognition of the developing capability and expertise in environmental control facility operations at the ERTC."

### ADMITTED TO HOSPITAL

Phillip Warren, 21, Rural Route One, Granite City, was admitted to St. Elizabeth Hospital at 6:45 a.m. Saturday for treatment of a cut to the forehead and abrasions to the right shoulder and right knee following an auto accident. His auto and a car driven by Theodore Gontel, 57, of East St. Louis, collided at Third Street and McCambridge Avenue, Madison, at 5:20 a.m. Saturday according to a police report.

### CONCERT TONIGHT

The Granite City High School North Concert Band will open the current concert season at 8 p.m. today in the South Auditorium with an hour-long presentation.

## Willman death held homicide

A coroner's jury last week found that the death of Roscoe William Willman, 48, Greenville, Ill., was caused by homicide.

Willman's body was found buried in a shallow grave on a farm in Mitchell Sept. 23 and a 17-year-old Mitchell girl is accused of shooting him with a pistol, burying him and covering his body with lime, battery acid, dirt and boards.

Madison County Deputy Coroner Edward Werner conducted the inquest at the Bob Thomas Memorial Mortuary in Granite City, and read the coroner's jury copies of the official Madison County Sheriff's Department reports of the incident and subsequent investigation.

In the reports, the girl allegedly told deputies she was home alone when Mr. Willman came to the door and asked to see her mother in mid-August.

She said she told him her mother was not at home, but he entered the home anyway. She told authorities she was Deputy Mr. Willman and he pushed her, so she fled outside, according to deputies reading the reports, the reports stated.

Mr. Willman later left the house and the girl went back inside and got a .45 caliber revolver she kept inside her mattress for her protection, according to the reports.

She said she then went back outside and Willman started walking nearby so she raised the gun and shot him, deputies related.

The bullet entered the back of his neck and went into his head, breaking his skull, the autopsy report stated.

Deputies said the girl told her she then put the gun in her car and covered Mr. Willman's body with a blanket. Her mother arrived and she convinced her mother not to call police, the reports said.

She then told deputies she dug holes, poured Mr. Willman in it, covered his body with lime and battery acid and then dirt, according to the documents Werner read.

The grave was covered with sticks and leaves and a "bushhog," a piece of equipment used on the farm. One report said she later was talking to a salesman on the farm when dogs began digging over the grave and uncovered a hand.

She turned the salesman away before he saw the hand and later covered the grave with more dirt with boards and plywood to keep the dogs from digging at the grave, the report alleged.

An informant told police that Mr. Willman was buried on the farm and they obtained a search warrant. With the help of a Lewis & Clark Explorer post and equipment from Chouteau Township Highway Commissioner James Eates, the deputies dug in several areas until they found the body at 6:17 p.m. Sept. 23.

Another report alleged the girl told officers she drove her car the night of the murder to Lewis & Clark Park, stopped just above the spillway, and threw the gun into the spillway.

The gun has not been recovered. She also told deputies she poured gasoline on the blood-soaked blanket used to cover Mr. Willman's body and she burned the blanket in the incinerator, the reports alleged.

Mr. Willman's car later was found in the Mississippi River and a 19-year-old man is charged with obstructing justice for dumping the car.

## McKendree choir concert Dec. 12

The McKendree College Choir will present its annual Christmas Concert Sunday, Dec. 12, at 3 p.m. in the college gymnasium at Lebanon.

Under the direction of Professor Glenn H. Freire, the 25-member choir will open the program with Cantata Pastorale by Alessandro Scarlatti. Marilyn Boyd of Lebanon will be the soloist.

Bach's cantata, "For Unto Us a Child is Born" will follow with students Stephen Kirchengraber of Belleville, John Kaeze of Dupu and June Maloney of East Carondelet as soloists.

The choir will follow with three psalms from Wolfgang Mozart's "Vesperae Solennes de Confessore," and conclude with a rendition of "God With Us," by Floyd Paetsch. Jerry Casey of East Carondelet, Cindy Doss of Owanee, Tracy Snyder and David Schwoebel of Belleville, Kirchengraber and Kaeze will perform the solos in the final selection.

Mrs. Loretta Petr of Belleville will serve as organist for the concert with her son David on trumpet. Venita

Shirley of Lebanon will play the flute with Mrs. Robin Smith of the McKendree Music Department staff as pianist. The public is invited to the Christmas performance. There is no admission charge.

## Decorate library for Yule season

The Gardeners Garden Club has decorated the Granite City Public Library for Christmas again this year. The staff invites the patrons of the library to come in to see these decorations during the holiday season and to use the materials and services of the library.

The collection of telephone directories at GCPL has been expanded and will soon include directories for the 23 major metropolitan areas in the United States plus selected other U.S. cities and a number of towns and cities in Illinois. Both white and yellow pages are available for most cities.

For those who are thinking of buying life insurance, the library has a useful reference book—"Best's Insurance Reports." This book gives comprehensive information on the finances, history, and operation of life insurance companies. GCPL also subscribes to "Best's Key Rating Guide" for property-casualty companies, which gives statistics and key ratings indicating the position of each company in comparison with others.

An addition to the reference collection at GCPL is "The New Columbia Encyclopedia," the greatly revised and expanded fourth edition of "The Columbia Encyclopedia." In spite of the fact that it is a one-volume encyclopedia, it contains a great deal of useful and up-to-date information.

## Windbreaks help protect magnolias

By WAYNE B. SHEPHERD  
Ornamental Horticulturist  
Canvas or burlap windbreaks will save many evergreen magnolias from severe winter burn and gradual death. Winter winds gradually dry the foliage of evergreen magnolias until winter burn and total leaf drop often occur. Even mulching and winter-time watering sometimes fail when these magnolias are grown in cold windy locations.

Evenly spaced stakes or steel posts to create a triangle or square will create a frame for a canvas or burlap windbreak. Small trees benefit most from the protection. Be certain the stakes and your windbreak are as tall as the tree.

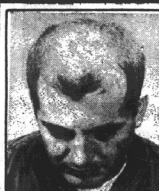

More heat and less smoke is the result when you keep your fireplace free of ashes. Wood smoldered in old ashes receives an inadequate air supply and will burn poorly. New ash from freshly burned wood should not interfere with fresh fuel applied to the fire.

## NEW PROGRAM FOR HAIR LOSS

Frank Moran Shows He ReGrew Hair. He Did Not Have Male Pattern Baldness.

### MIDWEST/ERICKSON HAIR CONSULTANT WILL EXPLAIN HAIR PROBLEMS AT THE TRAVELodge, 1200 19th St., Granite City, Illinois, Wednesday, December 8, 1976. HOURS 1 P.M. to 8:30 P.M.

Chicago, Ill., December 6, 1976. Mr. A. C. Erickson will be back in Granite City again Wednesday, December 8. Now is the time to act on this great opportunity. Every man and woman now losing hair should take advantage of this FREE CONSULTATION. You will be given a written guarantee on a pro-rated basis from the beginning to the end. Naturally we could not give you such a guarantee if it didn't work.

CAN'T HELP  
Male pattern baldness is the cause of a great majority of cases of baldness and excessive hair loss, for which no method is effective. Midwest/Erickson Hair Specialists cannot help those who are sick bald after years of gradual hair loss. But, if you're not already sick bald, how can you be sure what is actually causing your hair loss? Even if baldness seems to "run in the family," this is certainly no proof of the cause of your hair loss. Many conditions can cause hair loss. No matter which one is causing your hair loss, if you wait until you are sick bald and your hair roots are dead you beyond help. So, if you still have hair on top of your head, and would like to stop hair loss and grow more hair... now is the time to do something about it before it's too late.

FREE CONSULTATION  
Just take a few minutes of your time on Wednesday, December 8, and go to the Travelodge, 1200 19th St. in Granite City between 1 p.m. and 8:30 p.m. and ask the Desk Clerk for A. C. Erickson's room number. There is no charge of obligation... all consultations are private, you will not be embarrassed in any way.

## Wrestling Steelers defeat two opponents

GCHS North matmen posted their second and third wins of the season against no losses Saturday at Lincoln, Ill., defeating Wood River 50-9 and then the hosts 38-18.

Freshman Tracy Patton set a new Steeler record in winning his 112-pound bout over a Wood River foe, pinning his opponent in 14 seconds.

The old mark of 23 seconds

was set during the 1973-74 season by Todd Davis.

The Steeler bout results follow, with Lincoln listed first.

Robert Kirgan (98) lost a decision 12-6 and won 12-8, Kris Whelan (105) won by forfeit and won on a pin in 2:50.

Patton (112) won 10-2 and in 14 seconds, Keith Whelan (119) won 34 and won 40, Mat McCullough (126) won 12-3 and

won 17-1.

Steve Haeffner (132) won 3-2 and won 15-2, John Sands (138) lost 8-7 and won 7-0.

Ray Stuart (145) won 4-0 and won 10-1, Steve Hartline (155) lost 5-15 and won 6-3.

Mark Widel (167) won 3-10 and won 1-21, Brian Johnson (185) lost 1-16 and lost 1-28, and heavyweight James Shemwell won 2-30 and won by forfeit.

## All-state honors to Gehling

Keith Gehling, a 1974 graduate of GCHS South who was named to the 1973 Illinois all-state team during the Warriors' third place finish in the state soccer finals, was voted most valuable defensive back for assisting Rockhurst College of Kansas City to runnerup honors in a National Association of Intercollegiate

Athletics soccer tournament in Pasadena, Calif.

Rockhurst placed second after losing 1-0 to Simon Fraser University of Burnaby, B.C., in a championship game.

The Rockhurst Hawks advanced to the finals by beating the University of Maine, 2-0, and then defeating Davis and Elkins College of West Virginia 2-1 in double overtime.

## Wrestlers close second in tourney

GCHS South's sophomore wrestling team earned 94 points to place second Saturday in a four-school tournament hosted by Missouri's Riverview Gardens High School.

The hosts totaled 94½ to edge South: Parkway West had 69½, and Parkway Central 56 points.

Claiming weight class championships were Rocky Lupardus (105 pounds) with wins on a pin and a decision, and heavyweight Scott Patton with two pin victories.

Placing second were Mark Price (98), Tom Busch (112), Phil Beljanski (119), Brad Peterson (132), Druce Clement (145), Clay Pasley (155) and Randy Hueser (167).

## Cougars split

The SIUE team put on an awesome demonstration of all-around basketball play at Bolivar, Mo., Saturday night as it nearly demolished the host Southwest Baptist College Bears 85-59 in the closing game of the Optimist Club Classic.

In the first game, Evangel College of Springfield, Mo., walloped Park College of Kansas City, 103-74.

The classic was not a regular tourney; it was just two nights of doubleheaders. But the Evangel Crusaders, who turned back SIUE 79-77 Friday night on a pair of free throws with five seconds left, would have to be the "winner."

## Gitcho to speak

Granite City's Jan Gitcho, a champion national wrestler, will be the guest speaker Thursday during GCHS North's Steeler Booster Club meeting at 7:30 p.m. in the school's library.

The public is being invited to attend the Booster meeting.

## 4th Warrior basketball win a 78-41 breeze

GCHS South gained its fourth basketball win in five outings this season Friday evening, defeating Triad (St. Jacob-Troy-Marine) 78-41 on the Knights' home court.

Coach Don Deterding praised strong defensive efforts by the Warriors in blocking shooters' views and, on occasion, hitting away shots at the goal.

South led 12-4, 30-17 and 50-26 at the quarters.

The Warriors made 29 field goals and 20 free throws. Triad put 15 field attempts through the net and 11 charity tosses.

Terry Angle scored 15 points in the first half and added 22 in

the remaining two quarters, including 11 free throws for the game.

The junior player in addition to his 37 points also pulled down eight of South's 32 rebound recoveries. Triad had 30 rebounds.

Warrior John Stay put 15 points on the scoreboard before he went to the bench due to fouling out early in the second quarter.

Scoring also were Tom Henrich with 11 points, Roland Hux, Tim Anderson four, Dave Rhodes and John Lakin two each and Greg Feigl, one.

## North School five crushes Pioneer team

GCHS North cagers played impressive basketball Saturday night at East St. Louis Assumption, allowing the Steelers only eight trips to the free throw line while the

Pioneers were making 18 of 28 charity tosses. North won 64-47.

Coach William Oltendire's Steelers led 18-7, 39-24 and 56-33 at the quarters.

North hit 23 of 31 field goal tries and Assumption 21 of 36. North committed the fewest fouls, 10-22, and turnovers, 16-22.

Assumption edged North at the boards, 26-22.

"Our shooting ability combined with good defense made the difference," said Oltendire. The Steelers jumped to a 10-1

lead in the opening minutes of play and, with four minutes to play in the first half, led 29-9 before Assumption hit a string of baskets to narrow the margin.

The Steelers kept the Pioneers away from the charity stripe throughout most of the second half as North committed only four fouls in the last two quarters.

Jerry Barnett scored 16 points, Bob Schefke 15, Brian Smith 13 and Rodney Wortham 12 in pacing North's scoring attack.

Chris Page added four, and Alan Warfield and Randy Vandergift scored two points each.

## Ex-Madison cager sees action in ISU classic

Former Madison High School cager Ron Jones saw action last week in Illinois State University's second place finish in the New Orleans tipoff basketball classic, totaling seven field goals and seven rebounds for Coach Gene Smithson's Redbirds.

Now with a 2-1 record, ISU defeated Lewis College 79-60, then lost 91-73 to New Orleans before tipping Northeast Louisiana 87-78.

"Jones has done a good job as our playmaker," says Smithson.

"He is averaging five assists per game and has displayed patience while leading the Redbird offensive efforts."

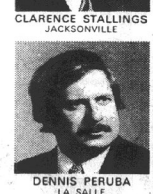

Jones, a freshman at ISU, averaged more than 20 points per game last season for the Madison Trojans, and scored 25 points in Madison's 73-72 sectional tournament loss to Lebanon.

STEELER DEFENSE proved effective as North held the Wood River Oilers to 20 points in the first half of play here Friday night. Steelers shown are, from left, Chris Page (34), Jerry Barnett (44), Gary Paul (30), Rodney Wortham (42) and Bob Schnefke (50).

HIGH ARCHING SHOT by Rodney Wortham (42) connects for two Steeler points during play against the Wood River Oilers Friday night. On defense for the Oilers is Jim Logan (53).

TIGHT OILER DEFENSE forces Steeler Brian Smith (52) to look for help during third-quarter play Friday night. On defense for the Wood River Oilers is David Sever (33) at right.

## Oilers top Steelers by point in thriller

The Wood River Oilers nipped GCHS North's Steelers 49-46 Friday night in the local Memorial Gymnasium with a last-quarter battle from the charity stripe which saw the visitors sinking 12 of 17 free throws to North's 11 of 15. It was 6-6 after the first period before North went on top 23-20 at halftime. The score was deadlocked 31-31 after three quarters. Wood River then outscored North 18-17 for the win.

Fouls were numerous — North 25 and the Oilers 22. Rebounding was led by Wood River 28 to 19.

Deadlocked, the Oilers opened the final period with a basket and four free throws to lead 37-32.

A basket by Jerry Barnett and back-to-back foul shots by Bob Schnefke made the score 37-36.

Wood River retaliated by sinking five charity tosses to lead 42-36.

Following a field goal by the visitors, North closed the gap with six straight foul shots, making the score 44-42. North trailed by one, 46-45, with 1:31 left in the game on a basket and free throw by Barnett.

The Oilers called time out and began executing stalling tactics in an attempt to run down the clock, but Barnett stole an Oiler pass with 43 seconds remaining. Wood River made a foul shot with 18 seconds left on a foul by Barnett which sent the junior player to the bench with five personal fouls.

Alan Warfield was fouled by a Wood River player with 12 seconds to play, putting one of two tosses through the net for a 47-46 score.

Wood River's Tim Logan provided the winning margin with four seconds showing on the clock when he was fouled and sank two free throws.

Following two timeouts called by the Steelers after the Oilers twice blocked scoring attempts, an across-court pass from Rodney Wortham to Brian Smith under the basket resulted in a two-point field goal for North at the buzzer.

In the second half, North had mustered seven field goals in 29 attempts, and Wood River eight of 21.

Adding to Barnett's 17 points were Wortham with eight,

Schnefke and Warfield with seven each, Chris Page with four, Smith with three and Gary Paul with two.

Steeler Barnett had provided a typing first-quarter basket with 43 seconds left in that period.

Second-quarter action saw the two squads swap the lead several times before Barnett put North ahead 19-16 with 2:31 left. He provided a four-point lead with two free throws after being fouled while attempting a basket.

A field goal and a free throw by Paul with 10 seconds left in the half gave North a 25-18 margin, but two charity tosses by Wood River closed the gap with four seconds remaining.

Both schools encountered difficulty finding the basket in the first half, North making nine of 22 and Wood River eight of 18. From the free throw line, the Steelers sank five of 11 and the Oilers four of seven.

North maintained its three-point lead throughout most of the third period until the Oilers tied the game on a free throw and a basket with 1:47 to play.

### Rites held for former resident

Funeral services were conducted Thursday in Terre Haute, Ind., for John Paul Cass, 60, of Brownsville, Tex., formerly of Granite City. He died on Monday, Nov. 28, at his home.

Born in Terre Haute, Mr. Cass resided in Granite City 10 years prior to moving to Texas in 1971. He was a retired employee of the Arkansas Best Motor Transport Co., St. Louis. Survivors include his wife, Mrs. Waunita "Tiny" Cass; three sons, Paul W. Cass of Granite City, John B. and Thomas L. Cass, both of Madison; one daughter, Mrs. Jo Ann Pinney of Huntington, Ind.; his mother, Mrs. Mary Cass of Terre Haute and five grandchildren. Burial was in a Terre Haute Cemetery.

**CHRISTMAS COVER** winners in St. Elizabeth Hospital's "Christmas Is" contest receive their prizes from Jack Grieves, assistant vice-president, right. From left, the youthful winners are: Joseph Donaldson, 9, great-grandson of Mrs. Alice Noon who works in the hospital coffee shop, first place award, a bicycle; Becky Ridge, 8, daughter of Mrs. Sharon Ridge, a Fifth Floor

associate; second, \$50 savings bond; and Monica Bausch, 5, daughter of Frank Bausch, hospital safety and security officer and Mrs. Suzie Bausch, a unit clerk, third, \$25 savings bond. Joseph's drawing will be used as the hospital's greeting card. Judges for the contest were Phyllis Weiss, Ann Rich and David Culp, art teachers at Granite City School South.

### Waneta Graham attends state health meet

Mrs. Waneta Graham, teacher of Madison Junior High School, attended the Illinois Association for Health, Physical Education and Recreation convention for purpose of professional growth in the fields of health, physical education and recreation. The convention was held at Peoria.

The theme for this year's convention was entitled, "From the Past Comes the Future." The emphasis for the convention was upon new techniques and changes that have occurred in the three fields of health, physical education and recreation. Programs in elementary physical education, adapted physical education, research, rhythm and dance, and the psychology of coaching were a few of the topics covered.

The featured speaker of the convention was Dr. Ketura Whitehurst, child psychologist from Virginia State College. District officers include Ann Johnson of Stallings School who is vice-president for elementary programs, and Margaret Roberts of Maryville School who is PEPE coordinator. Mrs. Graham is president of the southwestern district.

### Burglary charge

Joseph L. Woods, 17, of 83 Garcoche Homes, Madison, was named in an informational document from the Madison County state's attorney's office alleging burglary of the tractor-truck of John Wettach Jr. in Venice Oct. 16.

Woods and two other youths allegedly were seen near the truck, parked in the 1600 block of Market Street in Venice, and fled when police arrived. Woods was shot on a leg while fleeing. It was further alleged. He was released on a \$10,000 recognizance bond.

### Commends county clerks for Nov. 2 vote turnout

The State Board of Elections presented certificates of commendation to 100 county clerks last week in gratitude for their participation in a six-month voter registration drive that ended prior to the November general election. Sponsored by the State Board of Elections in conjunction with the Illinois Association of Clerks and Recorders, the drive was designed to stimulate voter registration activities throughout Illinois in an election year during which most political forecasters were pointing to widespread indications of voter apathy and predicting record low voter turnout at the polls on election day.

In presenting the awards to the county clerks during a statewide meeting of county officials in Chicago, William L. Harris, vice-chairman of the State Board of Elections, noted that active registration of voters is the first step toward promoting high levels of voter activity. Pointing to the fact that Illinois had one of the highest levels of voter turnout in the nation on election day, Harris thanked the clerks for their

vital role in achieving this result. "For six months," Harris remarked, "as we sought to bring our voting message to the public through radio, television and newspapers, we were counting on you to make this program a real success. Yours was the job of making these goals a reality and we are quite delighted by your response."

"While the national average of eligible Americans voting on election day was only slightly more than 50 per cent," Harris continued, "the Illinois average was more than 70 per cent, an average among the highest in the nation."

"At the same time," he concluded, "this turnout was accompanied by fewer administrative and other election related difficulties than in the past. This is yet another important indication of the thoughtful and tireless work performed by the county clerks on behalf of all Illinois voters."

## Church

(Continued from Page 1)

\$250,000 to \$300,000 is estimated for the new buildings, the pastor reported.

Another new project of the church will be the opening of Jan. 3 at the TCP Day Care Center, which will operate five days a week from 8 a.m. to 5 p.m., under the supervision of the Rev. Dennis Woodruff, assistant pastor of the church. The center will accommodate over 100 children and is state-approved. For those children attending full-day or half-day sessions, a hot lunch and snacks will be provided, the pastor added.

To be eligible for the Day Care Center a child must be between the ages of 2 and 5 and be toilet trained. All forms, both registration and medical, are available at the church office, and should be accompanied by a \$5 entry fee, when registering a child.

Cost for one week, Monday through Friday, for one child is \$20. A second child of the same family will be accepted for \$15. Part-time students attending three days will be charged \$12 per week and a fee of \$4.25 will be charged for youngsters attending on a daily basis with the option to enroll a second child in the same family at a cost of \$3. The Rev. Woodruff announced that detailed brochures on the program, objectives, guidance, policy form payments, arrival and departure, health, readmission of children following illness, clothing, toys, special days and messages have been compiled and parents who are interested in enrolling their children in the center are advised to secure the informational booklet at the church.

They also may call the church office from 9 a.m. to 4 p.m. Monday through Friday for information, he added. Registrations are now being accepted at the church office.

## BURGLAR FORCES DOOR

Charles Holt, 1917 Benton St., reported at 11:25 p.m. Thursday, the front door of his home was forced and a 19-inch television, valued at \$100, was stolen. Also taken in the burglary were a toolbox and assorted tools and sockets, valued at \$400, wrenches worth \$12 a dwell-meter, \$35, and two pairs of socks, \$17.

# Area bridges to be studied

A task force has been named to try to find a way to make better use of four St. Louis area bridges across the Mississippi and relieve traffic congestion on a fifth, the Poplar Street Bridge.

The group was organized by the St. Louis Regional Commerce and Growth Association, East-West Gateway Coordinating Council and Bi-State Development Agency, it was announced by Armand C. Stalnaker, RCGA vice president for urban affairs.

The bridges involved are the Martin Luther King, owned by East St. Louis; the Eads, owned by the St. Louis Terminal Railroad Association; the MacArthur owned by the city of St. Louis, and the McKinley, owned by the city of Venice.

All but the MacArthur are toll bridges which have suffered drastic income reductions since the opening of two free bridges — the Poplar Street Bridge in 1967 and the Chain of Rocks Bridge in 1969 as part of the interstate highway system.

All four of the older bridges are believed to need maintenance work and repair.

Meanwhile, the Poplar Street Bridge has become congested, carrying traffic load that was not expected until the 1990s. Chairman of the task force is William J. Wilson, St. Louis director of streets.

Other members are Alan Richter, executive director, East-West Gateway; Robert J. Baer, executive director, Bi-State; Walter T. Malloy, director of public utilities, St. Louis; William M. Ebersoldt, mayor, Venice; Roy Gruber, administrative assistant to the mayor, East St. Louis; Edward

Ruesing, executive director, Downtown St. Louis, Inc.; James Bowman, chief engineer, Terminal Railroad Association; Dr. T. V. Galambos, faculty member, Washington University School of Engineering; and Clyde Wiseman, director, urban affairs, RCGA.

At its organizational meeting, the task force decided to try to find a source of funds — possibly federal or state — to assess the physical condition of the bridges and obtain complete information on their financial situations.

"Once the task force has solid information as to what the situation is, physically and financially, it would be in a position to go to a governmental agency with a proposal for a remedy," Stalnaker said.

It has been proposed in the past that the federal government appropriate money to repair the bridges and pay off their indebtedness, so that they could be taken over by the state highway system.

"It is ironic that we have five bridges in and around the downtown St. Louis area, and suffer from acute congestion during rush hours on just one of them, while the others carry less than their capacity," Stalnaker said.

"There is no controversy as to what would be best for the region. We can agree that the utilization of the five should be evened out to relieve the congestion on the Poplar Street Bridge."

"The question is how to get the job done, and that is what we are hoping the task force can answer."

## Prisoners

(Continued from Page 1)

as many as 12,000 at one time.

As in the other camps, the quantity of food was good but its quality was questionable. Among the Confederates at Camp Douglas were Sam Houston Jr. and Henry M. Stanley, later a famous African explorer.

The weakened condition of the prisoners and the intense cold combined to claim the lives of 400 of 4,000 new prisoners admitted in February 1863, and to cause severe illness among 600 others.

In spite of efforts to improve prison life, escape attempts were common.

Most of them ended in failure, including the plot to free all Confederate prisoners in Illinois in 1864.

Escape proved easier from the Alton facility, the smallest and least important of the Illinois prisons. The proximity of friendly

territory across the river in Missouri, for example, encouraged a number of Rebels to escape in July 1863 by cutting a tunnel through eight feet of cement and the solid limestone foundation of the prison wall.

The record of treatment of prisoners in Alton was relatively good, however.

The fourth prison in Illinois, constructed at Rock Island in 1863, through continued additions soon became one of the largest in the North, and one of the most notorious.

The facilities were intensely overcrowded by Confederates captured at Lookout Mountain and at Missionary Ridge, Tenn., Sangamon State University researchers report.

Poor-quality food, intense cold and insufficient medical aid were complicated by a severe outbreak of smallpox in January 1864.

The event contributed large

MOBILE HOME BURGLARY Gary A. Kube, Lot 271, Sunny Shores, reported to Madison County sheriff's deputies that sometime during the early evening hours Thursday his home was entered and items with a total value of over \$1,000 were taken. Items taken included a 19-inch television set, two movie cameras, leather jacket, eight track record player, a watch and \$50 in change.

numbers to the 2,000 Confederate graves at Rock Island by war's end.

Thus, not only did Illinois provide a large number of troops, some of the most famous and effective generals, great amounts of wealth, as well as the wartime President himself to the Confederate military, it also housed four prison camps as reminders of the grim realities of the conflict, itself.

## Bill filed for 'open primary'

Three state representatives Thursday filed an "optional open primary" bill for consideration by the General Assembly next year.

Representatives Celeste Stiehl (R-Belleville), Everett Steele (R-Glen Carbon), and Representative-Elect Jim Edgar (R-Charleston), explained that their legislation would give the voter the option of declaring his party affiliation and marking that party's ballot or requesting a consolidated ballot and participating in the party primary of his choice secretly.

"I realize that this subject is many faceted and I also realize that this is a matter of great importance to the structure of government in Illinois," Rep. Stiehl said.

"However, the wide difference in the amount of votes cast in the primary as opposed to a general election is a serious indication of the dissatisfaction of the people with our present system."

Rep. Steele agreed, "I definitely feel that healthy government is the result of active participation by the people. If the people are

reluctant to vote in the primary elections because they feel strongly regarding the need for secrecy in voting, then this optional method will permit many additional voters to participate in the primary process."

"Those who wish to vote as party members can still do so, but the option is provided for undeclared voters to also participate in selection of candidates who will be voted upon in the November elections."

Edgar added, "I believe that what we must consider here is

the philosophical inconsistency between the party declaration requirement and the American tradition of privacy in the polling booth. Opponents claim

an open primary would weaken the two-party system, but in the nine states that have open primaries both the electorate and political parties seem to be doing very well."

As an example of voter opposition to publicly declaring their party affiliation the

representatives pointed to the 1974 RTA referendum in the Cook County area which was held in conjunction with the regular primary. Of the voters who came out to vote on RTA, 13 per cent did not ask for a primary ballot—even though they were already at the polls.

## Ten health lectures for nurses at SIUE

The Continuing Education Program of the School of Nursing at SIUE will offer a series of 10 health assessment lectures for nurses who wish to upgrade their educational backgrounds, according to Betty Boyd Walker, director of the program.

The series will begin Thursday and lectures are scheduled from 5:30 until 6:30 p.m. The initial meeting will be held in the Mississippi Room of the University Center on campus. All other meetings are scheduled in Room 2306 (School of Nursing conference room) of Classroom Building III. Registration for all the sessions is \$36.

The series will include sessions on neurological examinations; eye, ear, nose and throat assessments; head, neck, extremities and skin assessments; health history; and chest assessment.

Instructors for the sessions will be Linda L. Lillis, instructor in the SIUE School of Nursing, and Mrs. Walker.

A session on health history is scheduled Dec. 9. Three contact hours will be given for the session. Registration for the single session is \$4.

Three sessions of chest assessment are scheduled. Meetings will be Jan. 6, 13 and 20. Nine contact hours will be given for the three sessions. Registration will be \$12.

EENT and neuro assessment will be taught Feb. 3, 10 and 17. Nine contact hours will be given for the three sessions. Registration will be \$12.

A session on head, neck, extremities and skin assessment will be held March 10. Three contact hours will be awarded to the participants.

## Finance meeting for hospitals

The Southern Illinois Chapter of the Hospital Financial Management Association will conduct a two-day program on Tuesday and Wednesday at Augustine's Restaurant, Belleville.

The program will consist of two sessions, management accounting and control, and accounts receivable.

An awards banquet will be held Tuesday evening, with special service awards going to Charles Newsum of Belleville, Frank McGinnis of Granite City and David Deal of West Frankfort.

## Hospital volunteers honored

President Sister Mary Thomas compared the generosity of the hospital's volunteers with that of the poor widow who donated more with just a few coins than did all the wealthy contributors, in paraphrasing a reading from the Bible as she addressed 83 persons attending St. Elizabeth Hospital's Adult Volunteer Appreciation Dinner.

A total of 124 adult volunteers who donated 22,189 hours in 1976, were honored by the event. Hours volunteered this year increased nearly 10 per cent over those given in 1975, according to Volunteer Coordinator Rebecca Slate. In the last 10 years, Mrs. Slate noted, the yearly number of hours donated has increased over 140 per cent.

Serving as hospital representatives, Sisters Mary Frances and Mary George presented each individual award in an after-dinner ceremony. Invocation was performed by Sister Geraldine. Piano music was provided by Betsey Slate, granddaughter of the volunteer coordinator. Highlighting the evening's entertainment was a presentation by Ron Ward entitled "Clay Talk." Ward related common clay and pottery making to humanity and the growth potential of man. Ward is an art teacher at the Coville Junior High School.

Following is the list of award recipients for 1976:

Honorable mention, Sarah Alsop, Mary Jo Akeman, Margaret Barr, Jan Benbenek, Nancy Bergfeld, Debra Dutton, Catherine Czernog, Ann Grecco, Jennifer Gruene, Kay Greer, Rose Homerkamp, Mary Piper, Wilda Reidle, Pat Sanders, Peggy Rudy, Mabel Wiggins, Elsie Stages, Carol Slezka, Rose Stephenson, Edna Wyatt, Susie Hawkins, Arlene Hickam.

Fifty to 100 hours, Pam Bank, Liz Briggs, Evelyn Bringer, Kathryn Buchek, Juanita Brown, Jessie Chase, Mary Douglas, Roberta Feder, Ann Harper, Jackie King, Pat Konzen, Alpha Logan, Paula Morganason, Ed Morton, Cliff Richardson, Karen Schneider. One hundred to 200 hours, Alice Allen, Louise Begando, Gloria Boyd, Ida Cassel, Mary Heilrich, Karen Hayes, Vicki Kent, Sylvia Kositansky, Kathy McCann, Cissy Pingel, Janice

Reinhardt, Alberta Robertson, Bonnie Santagato, Dorothy Smith, Bertha Szediar, Hazel Troits, Lou Tourse, Rita Williams.

Two hundred to 300 hours, Marie Baker, Eula Davis, Anastasia Elliot, Penny Goda, Dorothy Heth, Walter Klein, Joanne Malcor, Ernie Rouland, Irvyn Slate, Jerry Stevens. Three hundred to 400 hours, Rita Baird, Sarah Metcalf, William Murphy, Dorothy Roy, Betty Schmiedke, Mary Tritschuh, Ann Tucker, Clem Wadlow.

Four hundred to 500 hours, Angie Ashcraft, Bernice Crimmins, Norma Diak, Marie Perry, Louise Smith, Lois Toner.

Five hundred to 600 hours, Margaret Dutton, Mary Swyer, Margaret Pearson, Carolyn Thornburg.

600-700 hours, Flossie

### Motorists told to destroy old license plates

Everyone putting new 1977 license plates on their cars should make certain that the 1976 plates are either destroyed or retained while they are still valid, Secretary of State Michael J. Howlett cautioned.

"Every year our office receives numerous complaints from owners who negligently discarded their old plates after installing new ones," Howlett said. "Complaints reach us after the plates fall into the hands of unknown persons who use them illegally."

The 1976 license plates are valid until the statutory deadline when 1977 plates must be displayed.

Effective today, 1977 passenger plates are being sold over-the-counter at 422 banks and savings and loan associations throughout the state, and 700 currency exchanges in the Chicago area.

Plates also may be purchased over-the-counter at three Secretary of State Motor Vehicle facilities in Chicago, and the Centennial building and Dickson parkway facility drive-in windows in Springfield.

VOLUNTEER SERVICE AWARD is presented to Walter Klein at the Adult Volunteer Appreciation Dinner held by St. Elizabeth Hospital to honor the services of 124 adult volunteer workers who donated 22,189 hours during 1976. The presentation is made by Sister Mary Frances for 232 hours services by Klein.

## Nameoki Methodist scene of Arth-Presley nuptials

White wicker stands holding green ferns and burning tapers in hurricane aisle standards, entwined with ferns, provided the setting for the wedding on Nov. 12 at Nameoki United Methodist Church of Miss Deborah A. Presley and Frank Arth.

Officiating at the double ring ceremony at 7 p.m. was the Rev. William D. Fester. Organist Linda Hunter played "Twelfth of Never," "Follow Me," "The Wedding Song" and "The Lord's Prayer," during the service.

The bride is a daughter of Mr. and Mrs. Robert Garin, 14 Del Rio Ave. Parents of the groom are Mr. and Mrs. Simon Lebowitz, 501 Forest, Collinsville.

For her wedding, the bride, chose a formal length antique ivory satin gown designed with a high neckline, and fitted bodice with a cameo yoke which was traced with embroidered lace flowers.

The decorative trim was repeated on the tapered sleeves and bordered the hemline of the A-line skirt and chapel train.

She wore a lace camelot headpiece to secure her lace bordered melody length veil of bridal illusion and she held a cascade of assorted dried flowers with brown woodroses, natural wheat and ivory and peach silk roses.

Maid of honor Miss Theresa Ward and bridesmaids, Mrs. Debbie Markarian, Miss Kris Tisoto and Miss Sheila Douglas, a cousin of the bride, wore identical copper color dresses complemented with matching hooded jackets.

Each attendant held a long stem peach silk rose festooned with natural color wheat and ivory velvet rope.

The groom chose Jack Darlington as his best man. Ronnie Chaitrino, Patrick Spies, an uncle of the bride, Mark Presley, the bride's brother, Mike Vesce and Dominic Marchetto, a cousin of the groom, completed the corps of groomsmen and ushers.

Cari Ann Crawford served as flower girl. She was dressed in an orange frock accented with a Peter Pan collar and ivory color apron. She carried a brown basket filled with rose petals.

Peter Garin, a cousin of the bride, was the ringbearer. Mrs. Garin, mother of the bride, selected a long rust color Empire gown designed with an A-line skirt and matching long sleeved jacket. She wore a corsage of white tea roses.

The groom's mother, Mrs. Lebowitz, was attired in a full length white crepe A-line style dress. She wore a corsage of yellow tea roses.

Guests were received by the newly married couple at a reception held at the Croatian Hall in Madison.

A rehearsal dinner was held in the home of the bride's parents.

The bride graduated from Granite City High School and attended Lewis and Clark Community College for two years. She is employed as beauty consultant at Famous-Barr Co.

The groom attended Southern Illinois University at Edwardsville and also St. Louis University. He works at Bob Brookland-Pontiac.

They are residing in O'Fallon following a wedding trip to St. Petersburg, Fla. Out of town guests were from California, New Mexico, Carbondale, Ill., Greenville and Sorento.

MRS. FRANK ARTH, the former Miss Deborah A. Presley who was married in an evening ceremony at the Nameoki United Methodist Church. She is a daughter of Mr. and Mrs. Robert Garin, 14 Del Rio Ave.

### HAIG NIGHOSSIAN NAME SON DARRICK

## Permanent waves—by computer

A new computer-like permanent waving system that produces a "perfect" perm every time, regardless of an individual's hair type or its condition, has been acquired by Carlene and Helen's Hair Fashions, 2264 State St.

Three years in development by the Revlon-Realistic Professional Products, Inc., the advanced electronic system is programmed by the hairdresser to monitor and control perm processing.

Carlene and Helen's salon has been selected as one of a limited number of leading beauty salons in the area authorized to offer the new electronic perm service.

"It is the beauty wave of the future," Mrs. Carlene Miller explains. Helen Holten, co-owner of the local beauty shop, explained.

"Perming can now be specially customized to each individual hair type and condition, and our patrons can be assured of perfect perming every time. We are proud to be among the first to make such a dramatic promise," Mrs. Miller said.

Named the Realistic Sensor Perm, or "brain" as Mrs. Miller refers to it, the equipment is only 10 inches wide and about eight inches deep and sits on a waist-high stand. As most of the newer permanents now

require heat, the system is attached to a regular hair dryer.

After the rollers are positioned on the head, one roller is connected through a sensory device to the electronic system.

When the permanent waving process is completed to the exact specification, the machine elicits a "beeping" sound to alert the operator, Mrs. Miller explained.

She said test curling will be necessary, as is now the practice, as the machine equipment eliminates any possible mistakes by an operator.

"Hair will never be over-processed, nor under-processed," the beauty shop owner stressed. "This new technique also will permit permanents being applied to bleached, badly damaged or moderately damaged hair without resulting in over- or under-processing," she added.

The Realistic Sensor Perm system has been test marketed in salons on the east and west coasts for the past six months and, more recently, one was placed in a St. Louis salon beauty salon for testing marketing purposes.

Carlene and Helen's purchased the system from Shear Beauty Supply Co., Belleville.

## Heads personnel at American Steel here

E. S. Hendrickson has been appointed personnel manager at the Granite City Plant of American Steel Foundries. It was announced by M. B. Miloski, works manager.

Hendrickson succeeds Robert G. Bierer who will retire in early 1977 after more than 36 years of company service. Bierer has been appointed assistant to the works manager and will be on special assignment until his retirement date.

Hendrickson joined ASF in 1965 at the Granite City plant. He graduated with a B.S. in business administration from Southern Illinois University. He is a member of the Tri-Cities Area Chamber of Commerce, Southwestern Illinois Industrial Association, East Side Industrial Relations Association, and SIU Alumni Association. He is a Veteran of the U.S. Army Signal Corps. He resides with his wife, Sue, in Granite City.

E. S. HENDRICKSON

ROBERT BIERER

Bierer joined ASF in 1940 at East St. Louis. He was transferred to the Granite City plant in 1965. He was personnel manager of both the East St. Louis and Granite City works. Following his retirement Bierer and his wife, Fern, will reside in Fort Pierce, Fla.

ASF is a subsidiary of AMSTED Industries. The ASF Granite City plant manufactures cast steel side frames and bolsters for railroad freight cars and is one of the largest steel foundries in the nation.

## Sausage-making time at St. John Lutheran

It's sausage-making time at St. John Lutheran Church, St. Clair and Dale avenues, and those who appreciate homemade sausage are eagerly looking forward to Saturday, Dec. 11, when the sausage will go on sale at the church.

Because the demand for the special sausage has increased each year since the project first was started nine years ago, those wishing to purchase the meat are being urged to place their orders in advance.

Orders will be accepted by calling the church office at 876-4559 this week.

Orders placed in advance may be picked up at the church Saturday, between the hours of 9:30 a.m. and 1 p.m. Any extra sausage will be sold at the church during the same hours. Last December, many hopeful purchasers were disappointed when all the sausage was sold long before the purchasing cutoff time. Harold Gebhardt, church elder and project chairman, reported.

The meat will sell for \$1.50 per pound, a reduction of 25 cents over last year's price.

The sausage will be available in bulk or link form and comes in plain or garlic flavor. Special spices used in making the sausage add to its unique flavor. On Friday, many members of St. John Lutheran will gather at the church to make the fine quality sausage. Last December, the group made a total of 1,200 pounds, all of which was sold very quickly.

## Three youthful hunters charged

Three youths were arrested by Pontoon Beach police for allegedly hunting within the village limits at 10:45 a.m. Sunday.

Village Board President Floyd David Moss saw three youths in a wooded area near Georgetown Drive which is within the Pontoon Beach village limits and posted against hunting.

Anthony Bieker, 19, of 2144 Adams St., was charged with hunting within the village limits and discharging a firearm within the city limits. Joseph Thies, 17, of 2147 Lee Ave. and a 16-year-old youth were both charged with hunting within the village limits. The three youths were released on notice to appear in court at 2 p.m. Monday, Jan. 3.

According to authorities the law provides that no hunting shall take place within one mile of the village limits.

## Realtors, insurance agents install at dinner meeting

Bernard Royce was installed as president of the Granite City Board of Realtors and Robert Rowland was installed as president of the Tri-Cities Independent Insurance Agents Association at a joint meeting and installation last week at the Sunset Hills Country Club, with 200 members and guests attending.

Other officers installed for the realtors were: Herman Schroeder, vice-president; Ray M. Kaegel, secretary-treasurer

and James C. Whitt, Frances E. Judd, Robert Burton, and John Krokovich as directors.

Officers installed for the insurance agents were: George Louis, vice-president; M. G. Reinhardt, secretary-treasurer; and Ralph A. Morris, Thomas Kiely and Clota M. Judd as directors.

Music for dancing was provided by John Polzin. Charles Meyer gave the invocation for dinner.

## Lettermen, Red Peppers plan Yule season events

The Granite City High School South Red Peppers and Lettermen's Club have scheduled several events during December, beginning Wednesday, when the two groups will get together for an activity night in the Memorial gym. The Red Peppers will compete against the Lettermen in basketball, ping pong and volleyball. The activity will be held from 6 p.m. until 9 p.m. and refreshments will be served. Santa and one of his elves will

be in attendance at the Red Pepper's Christmas party to be held in the cafeteria after school on Thursday, Dec. 16. The party will take place of a regular business meeting. Refreshments will be served. The voices of the Lettermen and Red Peppers board members will be heard from 6:30 p.m. to 8:30 p.m. as they go Christmas caroling. Following the caroling, a pizza party is planned.

## Ok fire protection pact

The Long Lake Fire Protection Board of Trustees voted last week to approve a \$58,500 contract with the Long Lake Fire Department for the fiscal year which began in May.

The new contract is \$8,500 higher than originally proposed due to a request by the firemen for additional help in funding construction of a garage building next to the present fire house.

Grants from Nameoki Township and other sources also will be used to fund the new building. In other action the trustees voted to increase the annual fee for their attorney, Irvin Slate Jr., from \$750 last year to \$1,000 this fiscal year, and voted to keep the annual salary of each

trustee at \$500, the same as last year.

President Harold Davis reported three new fire hydrants are to be installed by the Interurban Water Co. in the district, but the parts for the installation have not yet arrived.

Bills approved were \$90 annual dues for the Illinois Fire Protection District Association, and \$12 each for the bonds of Davis and Lloyd Miller Jr., trustee.

## Stalled cars hinder emergency vehicles

Chief of Police Ronald J. Veizer expressed concern today over problems Granite City's emergency services might encounter during winter storms in the months ahead.

According to the chief, whether or not an emergency vehicle gets through most often depends on other motorists' ability to move, not its own.

"When traffic becomes hopelessly snarled because of

stalled cars on snowy or icy roads," Chief Veizer pointed out, "it's painfully obvious that somebody waited until it was too late to take proper precautions."

The chief noted that a traffic tieup involves more than personal frustrations. Police, fire and ambulance services are disrupted or brought to a complete halt. Abandoned vehicles prevent plows from

Graduation ceremonies were held at the National School of Music for area children who completed a one-year course in pre-music, relating to the Musical Kindergarten program.

Youngsters graduating in the 6 and 7 years age group were Kenny McGee, Shannon McRaven, Kirk Nussbaum, Chris Pindell, and Becky Wilson.

Entertainment was provided by Lynn Pendegross, playing "Sailing" on the organ and Kim Sailing playing "Michael Row the Boat Ashore" on the piano.

Assisting at the ceremony were Mrs. Susan McGehee, instructor and pianist, Burt Schmeisser, principal, and Mrs. Carolyn Belling, director of the Musical Kindergarten program.

## Dr. Wilkins attends educational meeting

Dr. George T. Wilkins of Granite City and William Freeman of Troy, representing the East-West Gateway Chapter of Phi Delta Kappa, were among the 175 participants attending the District V Phi Delta Kappa professional fraternity meeting held in Toledo, Ohio.

Financing education, what should schools teach (back to basics), control of the education enterprise and desegregation and equal opportunities in education at all levels were identified as the top priorities in the six state areas represented at the conference.

Delegates had the opportunity to hear leaders in the field of education present materials on plans for staff development, alternative schools, and reading improvement.

The states represented at the conference included Wisconsin, Illinois, Indiana, Ohio, Michigan and West Virginia. The keynote speaker was Dr.

Dean F. Berkeley of Indiana University who spoke at the awards and recognition dinner. Dr. Berkeley talked about the never finished job of education.

The Mississippi chapter from Rockford, Ill. was selected as the outstanding chapter of the 83 present and the Toledo, Ohio chapter was presented with the service award.

Dr. Terry Nelson, coordinator for the Northern Wisconsin Area, was honored for his long service to the fraternity.

Several participants were involved in workshops on teacher and administrator appraisal and evaluation. Other thrusts of the conference included recommendations that the fraternity establish a broader leadership role in the field of international education, encourage research among local membership and develop plans to assist in the solution of those labeled as critical to education.

## Farm employment census

Information about farm work done for pay during the past year and about migratory farm work will be collected by the Bureau of the Census in this area, according to Rex L. Pullin, director of the bureau's regional office in Kansas City.

The director said that interviews will visit a sample of households during the week of Dec. 13-17.

The farm work questions are in addition to the usual questions in the monthly survey on employment and unemployment conducted nationwide by the Bureau for the U.S. Department of Labor.

Results of the monthly employment survey provide data on conditions in the labor force, prime indicators of the economic health of the country. For example, in October the survey indicated that of the 96.3

million men and women in the civilian labor force, 87.8 million were employed. The nation's unemployment rate was 7.9 per cent, up from 7.8 in September but substantially below the recession peak of 8.9 per cent reached in the second quarter of 1975.

Information supplied by individuals participating in the survey is kept strictly confidential by law and the results are used only to compile statistical totals.

Interviewers who will visit households in this area include Mary Lou Gallagher of Edwardsville.

functioning and then problems are compounded.

"Go Power" recommendations, based on findings of the National Safety Council's Committee on Winter Driving Hazards and endorsed by the International Association of Chiefs of Police, were cited by Chief Veizer.

"Suppose you have to stop on an icy up-grade," he said. "Could you get started again?"

"On glare ice, snow tires alone will give about 28 per cent better traction than regular highway tire treads. There are other traction aids on the market that will give varying degrees of improvement, but none can come anywhere near equalling the 60 per cent improvement that reinforced tire chains give on ice."

"On loosely packed snow, the National Safety Council's findings show that snow treads provide half again as much pulling ability as regular tires

while reinforced tire chains provide about three times the pulling ability of regular tires.

Braking distances are also important on winter slick roads. The committee's test findings have this to say about stopping problems.

"Snow tires may be of little or no help at all for stopping on glare ice, but reinforced tire chains cut breaking distance in half."

To this, the chief added a second warning. "Regardless of the traction aid you use for snow or ice, in no instance can you stop, go or steer nearly as well as you can with regular highway tires on dry pavement."

He urged common sense on the part of every driver. Slow down. Think out every maneuver well in advance. Steer, accelerate and stop gently.

If you can not use public transportation and must drive during a severe winter storm," Chief Veizer concluded, "carry tire chains and be prepared to use them for essential travel."

## Driver injured, faces 2 charges

Mark Summers, 18, of 2623 North St., was injured when his auto struck the stopped auto of Richard Grogan, Florissant, Mo., on Madison Avenue at Niedringhaus Avenue last week.

Summers was found in his car and police alleged finding 13 1/2 grams of marijuana in his lap and one empty tequila bottle and another tequila bottle (fourth full) in the car. He was charged with illegal transportation of liquor and illegal possession of marijuana.

Summers was taken by ambulance to St. Elizabeth Hospital where he was admitted with a cut to his lower lip and bruises to his body.

## Ted Eilerman named to state Health Coordinating Council

Ted Eilerman, executive vice-president of St. Elizabeth Hospital, has been appointed by Governor Dan Walker to serve on the Statewide Health Coordinating Council (SHCC). The council's formation was mandated in the National Health Planning and Resources Development Act of 1974.

Each state has an advisory group called the Statewide Health Coordinating Council (SHCC).

The governor appoints 60 per cent of the council membership from persons nominated by each of the Health Systems Agencies in the state.

The governor may appoint additional persons as appropriate but these appointees cannot make up more than 40 per cent of the total membership.

Not less than 40 per cent of the SHCC membership shall be consumers who are not also providers of health care. In Illinois the percentage of consumers is 60 per cent.

In Illinois, each Health Systems Agency has three representatives, not necessarily members of the board, two consumers and one provider, on the council. The governor has appointed another 22 persons who are not necessarily members of Health Systems Agencies.

One representative of the Veterans Administration is also on the council.

In Illinois, 11 Health Service Areas have been designated, two of which are bi-state. Each Health Service Area must have a Health Systems Agency (HSA) to service the area. These are private, non-profit corporations or public bodies.

each of which must have a governing board made up of a majority (51 to 60 per cent) of consumers.

St. Elizabeth Hospital is in Area 1 which is called the Greater St. Louis Health Systems Agency. Included in Area 1 are Madison, St. Clair, Bond, Clinton, Monroe Counties in Illinois and St. Louis, St. Charles, Franklin and Jefferson in Missouri.

The Statewide Health Coordinating Council of which Eilerman

is a member has the responsibility of coordinating the Health Systems plan and annual implementation plan of each Health Systems Agency with the state. They review the budgets of each Health Systems Agency and applications for grants submitted by each agency.

They review annually and approve or disapprove any state plan and any application submitted for receipt of any funds under The National Health

Planning and Resources Development Act of 1974. The Comprehensive Mental Health Centers Act, or the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970. The purpose of the New Law (National Health Planning and Resources Development Act of 1974) is to improve health by increasing the accessibility, acceptability, continuity and quality of health services, restraining increases in the cost of providing health services, preventing unnecessary duplication of health resources, and providing services directed toward the prevention of illness.

## Comment and analysis

### Killing of civic center sad chapter in state history; county action may offer best hope of salvaging project

Killing of the local civic center authorization last week in the Illinois legislature underscores the damaging nature of Governor Daniel Walker's mischief-making, excessively free-wheeling amendatory vote pen.

Overturned once by court-determined technicalities, the project planned for part of the Southern Illinois University at Edwardsville campus was passed a second time by the General Assembly and forwarded to the governor. He in effect rewrote it by adding St. Clair County to Madison County as the potential civic center site, renewing the kind of destructive geographic rivalry that had been a problem earlier.

Efforts by Sen. Vince Mazzuzo to override the amendatory vote fell short, and an attempt by Sen. Kenneth Hall to sustain the gubernatorial vetoing also lacked sufficient support, thus terminating the

proposal after years of planning and work. The situation again shows the need for Illinoisans to limit executive amendments to clarify rather than lead.

It also shows the havoc brought about by St. Clair County area state legislators whose attitude undermined a plan that truly could have helped both counties at a centrally-located site as SIUE. Partial rental of the center facilities by the university was and is a necessary ingredient for such a building to be financially self-sufficient.

One wonders whether the best approach now might be to disregard the "mine field" of Springfield legislation and instead pursue the civic center as a Madison County Board venture. It would be a quality, long-term, four-state financing, with much of the local one-fourth share being offset by the value of the campus acreage that SIUE is willing to provide.

### Assembly faces tough task of revising Elections Board

Press-Record Springfield Bureau—The courts have given the Illinois General Assembly a tough assignment to accomplish in the first two months of its 1977 session. The legislature must revamp the Board of Elections.

There is little choice now but to give the governor the full power to make appointments to the board, with power to approve or reject those appointments going to the state Senate.

Courts have repeatedly thrown out laws giving legislators or others the authority to prepare a list of potential appointees from which the governor must make his choice, as they did in this case. So it would be unwise for the General Assembly to try such an approach again.

However, the biggest hurdle for the legislature in writing a new law is the requirement that no political party have a majority on the board.

In the law now declared unconstitutional, the legislators accomplished that by providing for two members of each major party to be on the board and for the votes to be broken by lottery. The courts said the lottery system, when invoked, gave one party a majority, violating the constitutional provision.

It now appears the only choice of the legislature is to do approximately what Gov. Daniel Walker advocated initially—that a five-member board be established and that the fifth member be an independent not affiliated with either major party.

There's always a problem in defining who is a true independent.

It virtually has to be someone who hasn't voted in either party's primary for several years or who has switched back and forth between parties for several elections.

In the situation that will exist for the next

couple of years with a Republican governor and a Democratic-controlled Senate, the fifth member of the board would have to be acceptable to both parties.

However, there is the potential of having a five-member board stacked with a majority favorable to the dominant party, if both the governorship and the Senate are controlled by the same party.

The 1976 Constitutional Convention was perhaps a bit idyllic when it mandated that neither party should have a majority on the Elections Board. Nevertheless, there are decisions—such as who gets on the ballot as well as the election process in general—that can be extremely important in the political scheme of things. So, giving one party or the other control could give that party advantages in an election.

The legislature has little choice but to face up to the issue in time to get the board reconstituted by the Illinois Supreme Court's deadline of March 15.

Because the agency has full-time employees and ongoing responsibilities, it would make no sense to let it go out of business temporarily while the legislators tried to make up their minds what to do.

The board up to now has been something of a mess, loaded with part-time employees of both parties and often a partisan battleground. However, it's unlikely that anything can really be done about those things in reversing the law establishing the Board. Those are budget and administrative responsibilities.

The responsibility of the legislature prior to March 15 is to establish a board that will oversee the election process in a fair and equitable manner, as efficiently as possible. Representatives of both parties should sacrifice their natural instincts for partisan advantage to that goal.

continue to convert it to some other usage.

Venue regarded the McKinley Bridge as a similar bonanza and unambiguously the Bi-State Development Agency in efforts to encourage more traffic for local residents, but the \$22 million price tag and later competition from the I-270 bridge and the federal government's I-55-70 Poplar Street—have led to financial problems.

Tolls continue but McKinley traffic volume is less than sufficient to permit full payments for bond principal and interest.

With the Poplar bridge always busy and often congested, thought is being given to ways of encouraging more motorists to choose the McKinley, Eads and Dr. Martin Luther King (Veterans) toll bridges and the MacArthur Bridge, which is free like the Interstate bridges.

The task of evening out rush-hour traffic will not be easy because of the Venice and East St. Louis bridge debts, tolls and the substantial cost of keeping the various bridges in good working order—but the objective is important enough to justify the effort that is being made.

### Bridges no longer bonanza; more equal usage is needed

The launching of a study of metropolitan area bridge utilization, a project urged by East-West Gateway Coordinating Council Chairman Nelson Hagnauer, recalls the era when a municipal bridge was considered a bonanza.

The Chain of Rocks Bridge, acquired by the City of Madison for \$2,300,000 in 1939 under the administration of the late Robert Dron, proved to be of great benefit to the municipality. Operated for many years under the guidance of the late Mayor Stephen Maers, the toll bridge provided employment for many Madisonians, enabled the city tax to be eliminated entirely for one year, and financed numerous street projects and other city improvements.

Purchased at a bargain price, the two-lane, angled-in-the-middle Mississippi River span was still such a money-maker that Madison officials tried hard to block construction of the nearby Interstate 270 bridge by the federal government. When they were unsuccessful, they eliminated tolls and later closed the city bridge. Efforts

continue to convert it to some other usage.

### GC man charged in shooting

Collinsville authorities have charged Danny R. Towery, 35, of 2829 Perry Blvd., with two counts of aggravated battery following a shooting incident at the Holiday Inn near Collinsville during which two persons were injured.

Towery was released last week on his own recognizance after bond was set at \$7,500 on each count by Judge Meritt H. Hoot. A preliminary hearing date has not been set.

Treated for gunshot wounds at Belleville Memorial Hospital were Mrs. Carol Towery, 235 East Fourth St., Trenton, and Don Maddalino, 312 East Main

St. Collinsville. Both were released following treatment.

Police said a man entered the room in which Maddalino was having a birthday party for his daughter and began shooting, striking Mrs. Towery in her right arm and Maddalino in his neck and back.

Several children attending the party were not in the room when the shooting occurred, but were in the motel's swimming pool, police reported.

Collinsville police said Towery told them he remembered entering the room, but did not recall what happened after that.

# Tape is played at murder case trial

A jury hearing the murder, burglary and arson case against Robert David Richmond, 17, of 2137 Cleveland Blvd. in Edwardsville heard the sound portion Saturday of a videotape statement Richmond allegedly made on the night of his arrest, Labor Day, Sept. 6.

In the tape, a voice, allegedly that of Richmond, admits being in the home of Miss Theresa Kichler, 78, of 2217 Grand Ave., Aug. 28, and participating in a burglary of that home.

One other young man is named and implicated, and authorities said they plan to

challenge that implication later in the trial.

By agreement of the prosecution and defense, only the sound portion of the videotape was admitted into evidence Saturday by Circuit Judge William Beatty in Madison County Circuit Court.

Saturday's session followed a full day of prosecution testimony Friday during which 14 witnesses established the basic police case against Richmond.

The witnesses testified to evidence indicating someone

broke into Miss Kichler's home Aug. 28, struck her about six times with a blunt object, breaking her skull, and then set fires at two places in the home. She died of smoke inhalation, according to authorities.

Among those who testified Friday were three firemen, two policemen, two police detectives and a court official, who testified to receiving pieces of evidence directly from the police.

Assistant State's Attorney Robert Trone is to continue to present the state's case against Richmond today.

James Carmody (155) won 23-3, won 13-1 and won 11-1. Mike Forshee (167) won 3:36, won 7-4 and lost 11-0.

Kevin Wilson (185) won 9-2, won 4-3 and won 15-0 and won 15-0.

Coach Schmitt notes that Wilson's 185-pound win against Normal was his season-opening meet's first loss in two seasons. Gaddy was last season's state weight class champion.

# \$1.5 million award

At 8 p.m. Friday a jury in Granite City awarded \$1,500,000 to Phillip Manning, 818 Twain Blvd. St., in a verdict against the Chicago and Northwestern Railroad.

It was believed to be the

largest amount ever awarded in Madison County, according to a court spokesman.

Manning was injured Jan. 7, 1974, while working as a laborer for Moss-American in a train accident south of the

Laclede Steel plant in Madison. It was asserted. Both his legs were amputated.

The jury trial which began last Monday, was held in a Third Judicial Circuit Court presided over by Judge Horace Calvo, with Morris B. Chapman of the law firm of Chapman and Chapman representing Man-

## Christmas gathering of Women's Division

The officers, board of directors and committee chairmen of the Women's Division of the Chamber of Commerce met Thursday at the home of Mrs. Mary Sedekum at Dunlap Lake.

A Christmas buffet was served to Mesdames Jeannette Scannell, Barbara Duffin, Billie Schuler, Marie Kistner, Julie Abrams, Janet Partney, Tina Thomas, Bonnie Sullivan, Kay

Pomeroy, Lois Winter and Mary Jessee.

Mrs. Schuler, president, presented each lady a ceramic angel ornament she had made. A business meeting was held following the dinner. Plans were finalized for a children's Christmas party to be held Dec. 18 at the Eagles hall.

After 2:30 p.m. a Christmas dinner was held on the date for a dinner dinner honoring past presidents of the Chamber of Commerce and the Women's Division.

Funeral services were held at 1 p.m. Saturday at Eden United Church of Christ, Edwardsville, for Mrs. Katherine I. Klaustermeier, 80, of Edwardsville, a sister of William Klauster of Granite City.

She died at 1:30 p.m. Wednesday at her home.

Other survivors include a stepson, nine grandchildren, two great-grandchildren, two other brothers and two sisters. Burial was in Valley View Cemetery, Edwardsville Township.

approached the suspect while the suspect was unlocking his car door and Mr. Ingram attempted to take a bottle of liquor from the suspect. The suspect alleged Mr. Ingram then threw a bottle at him, striking his hand, and then started to assault the suspect.

The suspect said he used a knife he had to try and defend himself against the assault and did not know he had stabbed Mr. Ingram in the victim's "gut away and fell to the sidewalk."

Survivors include his wife, Mrs. Elizabeth Ingram; a son, Eddie Lee Ingram Jr.; and daughter, Yvette Ingram, both at home; his mother, Mrs. Marlene Ingram; and two sisters, Fay and Mary Foster.

Funeral services will be held at 8 p.m. Thursday at the Southern Missionary Baptist Church, 921 Biessel St., Madison.

## Mrs. Klaustermeier services are held

Funeral services were held at 1 p.m. Saturday at Eden United Church of Christ, Edwardsville, for Mrs. Katherine I. Klaustermeier, 80, of Edwardsville, a sister of William Klauster of Granite City.

She died at 1:30 p.m. Wednesday at her home.

Other survivors include a stepson, nine grandchildren, two great-grandchildren, two other brothers and two sisters. Burial was in Valley View Cemetery, Edwardsville Township.

## Four injured in accident

Four persons were injured and admitted to St. Elizabeth Hospital at 9:15 p.m. Sunday when a pickup truck and an auto collided at Illinois Route 203 and Mayville Road.

Allen Taylor, 26, of 2839 Grand Ave., driver of the pickup truck, was admitted suffering back pains and pains to the forehead, face and legs, and possible head injuries.

Taylor also received three facial citations from the Madison County sheriff's department: disobeying, a traffic sign, reckless driving and driving too fast for conditions.

Fred Turner, 40, of 5100 Rapp Road, driver of the auto, was admitted for observations suffering chest pains and pains to the head.

David Turner, 17, and Randy Cornman, 17, both of 5100 Rapp Road, passengers in the Turner auto, were admitted for observation.

Cornman who was riding in the front seat had a cut to the right side of his head, left knee and right cheek area.

The younger Turner was suffering pain to the lower leg.

## Earl Frazier dies at 61

Earl Frazier, 61, of 1005 Sycamore Ave., was stricken with a heart attack at the Joseph Hospital, Breese, where he died at 1:15 a.m. Saturday.

A native of Murphysboro, Ill., he resided here 55 years. Mr. Frazier was employed four years as a supervisor at the Olin Winchester Plant.

Mr. Frazier was a member of Grace Baptist Church and also belonged to VFW Post 1308 of Alton, White Shrine of Wood River and Masonic Lodge 877. He was survived by his wife, Mrs. Jewell Frazier, one son, James Joseph Frazier, 30, of Scott, three daughters, Mrs. Curtis (Phyllis) Scott Thole of Carlyle, Ill., Mrs. Kenneth (Linda) Dauch of Granite City and Miss Donna Frazier at home, three brothers, Ralph, William and Harold; two sisters, Mrs. Edmond (Louise) Whittell and Mrs. Albert Mayfield, all of Granite City; and three grandchildren.

Funeral arrangements are given in the obituary column.

## Elect Hagnauer: coin toss picks Bridgewater

Nelson Hagnauer of Granite City was selected without opposition as chairman of the Madison County Board during the annual reorganization session this morning.

Edwardsville, but a flip of a coin had to be used to break a tie between the two, and Hagnauer was named the vice-chairman.

Three candidates were nominated for the vice chairman position to replace Edward Vismar who lost his board seat in the March primary.

Nominated were Louis Whittell of Nameoki Township, Jack Prandean of Alton, and the eventual winner, Wayne Bridgewater of Roxana.

In the first vote, Franden and Bridgewater each received 12 votes and Whittell two. A recount was demanded which did not change the tally. Hagnauer declined to vote and break the tie, but requested the members to "get down to business and pick a vice-chairman."

## 11-1 GC ice win

Two participating teams of the Madison-St. Clair Counties Junior Ice Hockey League met in a first place showdown at 13:13, still tied between Franden and Bridgewater, as Hagnauer again tried to break the tie, and Franden responded, "You can flip a coin."

Board member Donald Parish of Godfrey was selected to flip the coin and designated heads for the election of Franden. He then flipped the coin onto the floor, stooped over and picked up the coin, and Bridgewater was elected.

The board also concurred in Hagnauer's appointment of Dennis members and chairmen.

Whittell's votes split in the first place showdown at 13:13, still tied between Franden and Bridgewater, as Hagnauer again tried to break the tie, and Franden responded, "You can flip a coin."

Board member Donald Parish of Godfrey was selected to flip the coin and designated heads for the election of Franden. He then flipped the coin onto the floor, stooped over and picked up the coin, and Bridgewater was elected.

The board also concurred in Hagnauer's appointment of Dennis members and chairmen.

## Wrestling Braves extend win streak

Coach Larry Carl's Coolidge wrestling team extended its win streak to 12th consecutive dual meet win, the team having gone undefeated during the 1975-76 season.

Victorious for Coolidge were Chris Cottrell (75 pounds) on a pin in 3:28, Pat Hies (62-49) in a side collar (90) on a 7-0 decision, Brian Corey (98-60), Mike Niebur (105) 2-49, Mark Smith (121) 11-0, Jeff Corbett (119) 12-7, Robert Foor (126) 5-04, Kevin Knowland (144) 2-3 and heavyweight Tim Wyrostek 2-43.

Whittell's votes split in the first place showdown at 13:13, still tied between Franden and Bridgewater, as Hagnauer again tried to break the tie, and Franden responded, "You can flip a coin."

## News notes

A series of legislative maneuvers ended in the legislative death Thursday of a bill to establish a \$15 million campus in Madison County. The bill would have been operated by a separate authority and leased part of the campus to the university. Two attempts failed to override by one and six Senate votes an amendatory vote adding St. Clair County as a potential civic center site, and a try to approve the bill as amended fell eight votes short in the Senate.

## Question 5 in church burglary

Four juvenile boys and a 20-year-old man were being questioned this morning by Granite City police in connection with a burglary early Sunday at the Word of Life Tabernacle, 1200 Meridian Ave.

Illinois legislators delayed doing a penalty action and salary changes last week but will continue their special session later this month.

Unemployment in Illinois declined from 7.4 per cent in October to 7.2 per cent in November. Nationally, the figure rose from 7.9 to 8.1 per cent. In the Illinois part of the St. Louis metropolitan area, jobless rose from 8 to 8.4 per cent.

## Six hurt in 3-car crash

A three car accident at 11:49 a.m. Saturday at Nameoki Road and Victory Drive, resulted in six people being injured and taken to St. Elizabeth Hospital for treatment.

Mrs. Tecla M. Hoeff, 67, of 125 Abbott St., Venice, driver of one auto, was treated for a small laceration and admitted. A passenger in her car, Bonita Gibbs, 44, of 4006 Kirkpatrick Homes, received x-rays and was treated and released.

Terry Slayton, 21, of 2137 Grand Ave., driving a Dave's Taxi, apparently was not injured but two passengers, Tammy Carver, 16, of 2301 Nameoki Road, was taken to the hospital by ambulance and treated for an abrasion to the right ankle and Mary Carver, 9, same address, apparently struck the right side of her face and received x-rays. Both girls were released.

Driver of the third car, Barry Gardner, 28, of 2770 Nameoki Drive, was not injured.

Church officials discovered at 2:30 a.m. Sunday that a window in a side chapel had been broken and two amplifiers, a guitar box and a speaker had been stolen. Questioning of neighbors and youths led to two juvenile arrests at 11:55 a.m. Sunday, the adult's arrest at 12:25 p.m. Sunday and two additional juvenile arrests at 6:10 p.m. and 7:45 p.m. Sunday.

The juveniles were released Sunday on notices to appear before juvenile authorities today and the 20-year-old was held on a \$10,000 bond. Interviews by detectives. No charges have been filed, but pending burglary complaints are being prepared this morning.

## Apartment break-in

Song Christmas presents, a clock-radio, pots and pans and a telephone were stolen during a burglary at the upstairs apartment of Linda Stephens, 2038 Grand Ave., between 7 p.m. and 10 p.m. Sunday.

The resident of a neighboring apartment recalled hearing two men knocking at the victim's door and calling the name "Linda" at 7 p.m. and again at 10 p.m. Sunday.

After the second time, there was silence for a few minutes and then the men could be heard running down the stairs. The resident reported seeing two men about 25 years of age, one short and skinny and the other fat, leave the building and walk east on Grand Avenue.

It was discovered the front door of the victim's apartment had been pried open.

The Illinois State Scholarship Commission has named as state scholars Venice's Denise Rankin, Madison's Thomas Rankin, Christopher Gorka, Mark Laszewski and Dale Woodman and Granite City's Crystal Anderson, Mary Anne Bequette, Wendy Brandibas, Lisa Camp, Diane Campbell, Ralph Calouse, Katherine Delcours, Dolores Smith, Patricia Fyala, Ron Hartzel, Patrick House, Mark Krinski, Donna Lawrence, Lane, Marlene, John Mayfield, Dawn Myers, Darrell Pare, John Petrovich, Frank Reid, Carolyn Rowden, Edward Smith, Faye Stroder, Leslie Szeles, Eric Thoeke, Anita Turner, Ann Uram, Kenneth Wysean, Elizabeth Wilson and Nancy Wilson.

## Fireman hurt at garage fire

Granite City Fireman Ronnie Ashby, 26, of 2044 Mockingbird Lane, suffered a cut to his right eyebrow when struck with a tree branch while chopping holes in a roof during a fire at 255 E. 25th St. Saturday afternoon.

Firemen were called at 6:25 p.m. Saturday to a garage at that address which is used by Harley Keller as an upholstery shop and firemen reported the structure was engulfed in flames when they arrived.

Ashby was chopping holes in the roof to vent it when struck by the tree branch. He was taken to St. Elizabeth Hospital where he was admitted and remained a patient today.

Firemen fought the blaze for one hour and 40 minutes and estimated the damage at \$2,500. A roof and siding and \$3,000 to contents.

Officials noticed considerable damage around the overhead fluorescent lighting fixtures and suspect faulty wiring in the northeast corner of the ceiling as the cause of the fire.

After the second time, there was silence for a few minutes and then the men could be heard running down the stairs. The resident reported seeing two men about 25 years of age, one short and skinny and the other fat, leave the building and walk east on Grand Avenue.

It was discovered the front door of the victim's apartment had been pried open.

## CRITICAL CONDITION

Robert Garner, 34, of 2028 Washington Ave. was in the intensive care unit of St. Elizabeth Hospital in critical condition with a bruise to his forehead and other injuries. He was found unconscious in a car at 4:35 p.m. Sunday and taken to the hospital by ambulance. Tests were being conducted to determine the nature of his injuries.

## AUTO BURNING

Robert Olson of Florissant, Mo., reported at 5 p.m. Friday that his 1965 Chevrolet coupe valued at \$1,150 was stolen from his car parked at 19th and State streets.

## Photographic display opens at SIUE today

The Tallgrass Prairie: An American Landscape, a 40-panel display of color and sepia photographs showing the often-ignored but significant portion of America, will be on display at Southern Illinois University at Edwardsville, today through Jan. 7.

The exhibit, sponsored by the University Center Board Visual Arts Committee, will be on the second floor of the University Center building. It was developed by the Smithsonian Institution Traveling Exhibition Service.

Photographer and preservationist Patricia Duncan has documented the prairie, its people, and its heritage for this exhibition of photographs and illustrations. The first part of the exhibition presents the historic prairie encountered by the nation's earliest explorers, from Coronado to Lewis and Clark. Quotations from their diaries and notes provide captions for the reproductions of contemporary illustrations.

The second half of the exhibition, "The Prairie Today," provides a glimpse of life in this vanishing environment. This section documents both people and events as well as natural phenomena—the rivers, birds, mammals, grasses, wildflowers.

Among the striking color photographs in this section are images of the Konza Prairie Research Natural Area in Kansas, one of few remaining areas of natural prairie in the country.

## Heads AMSTED International

William J. Casey has been named president of AMSTED Industries International, a division of AMSTED Industries. Goff Smith, AMSTED's president, announced that the appointment became effective Dec. 1. Casey succeeds E. G. Dierks who retired on that date.

Casey, a 30-year employee of the AMSTED organization, has been serving as vice-president of the International division since 1962. He joined the American Steel Foundries entity in 1946 as a graduate engineering trainee and served in various technical and sales capacities until 1962.

He is an alumnus of Massachusetts Institute of Technology where he received a B.S. degree in mechanical engineering in 1946. The International division negotiates licenses and sells AMSTED's railroad components and industrial castings abroad.

AMSTED operates 10 divisions with a total of 34 plants and serves such markets as the railroads, construction and building, and general industry. It includes American Steel Foundries of Granite City.

## Film on Britain shown Optimists

The economic problems of Great Britain were explained to the Granite City Optimist Thursday noon at the YMCA in a movie called "The Second Battle of Britain." Optimist Maurice Dailey was the program chairman.

Optimist President William Monical reminded members that on Thursday, Dec. 16, their noon meeting will be a luncheon with their wives in celebration of the Christmas season.

## \$200,000 suit

Granite City Steel Co., Wilbur Waggoner Equipment Rental and Excavating Co. and Guarantee Electric Co. have been named defendants in a five-count suit filed in Madison County Circuit Court by Jacob B. Stevens seeking \$200,000 in each count.

Stevens alleges that on June 11, 1976, while employed at the steel firm as an ironworker, his foot was severely injured when a crane rolled onto it after a load of material being handled by the crane shifted. Waggoner Co. provided the crane and Guarantee Electric the lighting in the area. Negligence was charged.

## Essay contest for high school seniors

All Illinois high school seniors are eligible to compete for ten \$500 Chicago Motor Club scholarship grants which will be awarded to winners of the Illinois Editors' Traffic Safety Seminar's 11th annual traffic safety essay contest.

In authoring the grants, Gerald W. Cavanaugh, Motor Club president said: "Young drivers have the opportunity to make safe driving a way of life. They can set an example that will greatly reduce the needlessly high traffic accident and fatality rate. We feel the Seminar contest helps to motivate our young people in this direction." Essay theme this year is "What Can I Do To Encourage

My Friends And Classmates To Become Better Drivers?" Following are the contest rules:

The contest is open to all Illinois high school seniors in public, parochial or private schools. The top 10 awards—\$500 Chicago Motor Club scholarship grants—will be divided equally among girl and boy entrants. Entry blanks must accompany all entries (entry blanks are available at schools, Chicago Motor Club branch officers, or by mail from Seminar Headquarters, 66 E. S. Water St., Chicago, Ill. 60601). Entries must be received at Seminar Headquarters postmarked no later than Dec. 31.

GRANITE CITY PRESS-RECORD Mon., Dec. 6, 1976 Page 19

A Seminar scholarship committee will screen entries and forward all those qualifying to the entrant's local newspaper with the suggestion essays be published in whole or part. Publication of the essay qualifies the entrant for final judging, which will be done by a panel of University of Illinois educators. Scholarship awards will be presented at the annual Seminar awards luncheon May 13, 1977 at the Holiday Inn, Decatur.
